Thank you for a successful 2016 TD Bike Five Boro Bike Tour!

$150,000 raised = 30 wishes

Thank you to Our Sponsors

MLF’s involvement in the TD Five Boro Bike Tour began in 2013 when our medical director, Dr. Ernest Vomero (aka Ernie or Dr. V.) gathered his sons and other family members to make a group of seven participating in the event. They raised $26,375.

Today, Team Ernie has grown to a team of 40+ members and, this year, they raised over $150,000!

Interesting Fundraising Facts
As each participating rider is required to raise a minimum amount of money to support our mission, it is interesting to see how they planned to meet their goals:

- Many riders reached out to their professional contacts.
- A number of our riders challenged their supporters by personally matching their donations dollar for dollar!
- One enterprising rider taught her son a lesson in philanthropy by involving his school to help raise funds.
- Some riders proved that they could meet their commitments by tapping into their many friends for donations of $10 and $20 which quickly accumulated demonstrating every bit helps.
